Coaches Always Needed

Thank you to all of the Coaches that offered their time and energy to help make the 2017 season a huge success and to those willing to do so for 2018!

We hope the experience will be a positive and rewarding one and that you will consider coaching again in the 2019 season. If interested in coaching, you may wish to offer help to your daughter's coach this year, if needed, to get an idea of what is involved.

24-Hour Rule

The 24-Hour Rule for Parents and Players will be enforced. If there is an issue or concern with your Coach during a game, please wait 24 hours before approaching the individual. If the issue cannot be resolved, please contact the Convenor for your division.

Scholarships

Scholarship applications will be available on our website once our season begins.
Stay tuned for details.

The act of confronting your opponent and wishing him good luck.

The act of shaking your coach's hand at the end of the game just to show you care.
